COURSE DIRECTOR

Dr. Jay Ansell, Senior Director-Cosmetic Programs, Personal Care Products Council (formerly CTFA).

Dr. Ansell is responsible for providing technical support for the Council staff and various committees and task forces addressing the science and regulation of personal care products.

Trained as a chemist, Dr. Ansell received his BA from Gettysburg College, Gettysburg, Pennsylvania, and an MS from Marshall University in Huntington, West Virginia. He completed his graduate education at the State University of New York - Binghamton where he was granted a PhD for his work on novel synthetic routes to bioactive materials and was first certified as a Diplomat of the American Board of Toxicology in 1986.

Dr. Ansell, formerly with Yves Rocher, a France-based personal care products company, where he served as Director of North American Product Safety and Regulatory Affairs, has also served as Vice President of Product Safety and Regulatory Affairs at two international specialty chemical companies.

Dr. Ansell has been an invited speaker on topics including safety and risk assessment; he was founder and president of the Council for Advance Agricultural Formulations, chaired both the Alkylphenol Ethoxylates and NMP Producers groups, and currently serves as Chairman of the US Technical Advisory Group to ISO TC 217 – Cosmetics, and is President of the International Society of Regulatory Toxicology and Pharmacology.

ACCREDITATIONS

The Center for Professional Advancement has been approved as an Authorized Provider by the International Association for Continuing Education and Training (IACET), 8405 Greensboro Drive, Suite 800, McLean, VA 22102. In obtaining this approval, The Center for Professional Advancement has demonstrated that it complies with the ANSI/IACET Standards which are widely recognized as standards of good practice internationally. As a result of their Authorized Provider membership status, The Center for Professional Advancement is authorized to offer IACET CEUs for its programs that qualify under the ANSI/IACET Standards.

WHO WE ARE

The Center for Professional Advancement (CFPA) is the largest accredited technical training organization in the world with a curriculum of approximately three hundred and fifty short courses in 18 industries including Pharmaceutical, Biotechnology, Medical Device, Chemical, Cosmetics, Food and more.

Since our founding in 1967, we have successfully trained nearly a half million people worldwide in topics ranging from basic and introductory concepts to new advances and cutting-edge technology, and current U.S. and European regulations. CFPA courses are offered in a variety of formats – Public offering, Client Site and Online- to fit you or your company's training needs.
